OBJECTIVE

Results-driven Frontend UI Developer with 3.2 years of experience specializing in **HTML5, CSS3,** and **Angular**-based web applications. Proven ability to build pixel-perfect, **responsive UIs** and ensure cross-browser compatibility while collaborating with designers and backend teams for seamless integration.

TECHNICAL SKILLS

Frontend Development
- Angular (v11+), Angular CLI, TypeScript, JavaScript (ES6+), jQuery
- RxJS, NgRx
- HTML5, CSS3, SASS, Bootstrap, LESS
- Responsive & Mobile-First Design
- Cross-Browser Compatibility & Testing
- UI/UX Design Principles
- Performance Optimization & Debugging

Backend & API Integration
- RESTful APIs, Web API
- .NET, C#
- Microservices Architecture
- SQL Server

Version Control & Tools
- Git, Bitbucket
- Developer Tools (Chrome DevTools, Debuggers)

Soft Skills
- Strong Collaboration & Communication Skills
- Agile Development Methodologies
- Problem Solving & Analytical Thinking

WORK EXPERIENCE

Software Engineer (Band-2)   May 2022 – Dec 2024
DATALYZER TECHNOLOGIES PVT. LTD., Bangalore, Karnataka

- **Responsive Web Design:** Created highly interactive, responsive UI designs ensuring compatibility across multiple browsers and devices.
- **Framework Expertise:** Developed dynamic and modular UI components using Angular.
- **UI/UX Enhancements:** Translated UX wireframes and designs into high-quality front-end code, ensuring pixel-perfect accuracy and seamless user experiences.
- **Performance Optimization:** Improved web application performance through code splitting, lazy loading, and efficient state management.
- **Cross-Browser Compatibility:** Debugged and resolved cross-browser and cross-device UI issues to maintain a consistent look and feel.
- **API Integration:** Seamlessly integrated RESTful APIs, ensuring smooth communication between frontend and backend services.
- **Collaborative Development:** Worked closely with UI/UX designers, backend developers, and QA teams to deliver high-quality web solutions.
- **Agile Development:** Contributed to Agile ceremonies (daily standups, sprint planning, retrospectives) to ensure timely delivery of features.

Full Stack Developer Intern   Feb 2021 – Jul 2021
TAKABA TECHNOLOGIES PVT LTD, Kundapura

- Worked on full-stack development, contributing to project management and real-time system operations.
- Enhanced sales and marketing operations by integrating comprehensive software solutions.

PROJECT EXPERIENCE

Project Title: Qualis SPC
Duration: May 2022 – Dec 2024
Environment: Angular 11, Web API
Application Type: Web and Desktop Application
Team Size: 15
Role: Software Engineer (Band-2)
Project Scope:

Qualis SPC is a quality management application designed for real-time data analytics and comprehensive quality assurance management across multiple locations.

Responsibilities:

- Developed responsive, modular UI components using **Angular** and **JavaScript** to ensure pixel-perfect user interfaces.
- Translated complex UX wireframes into functional, high-performance web interfaces with seamless navigation and interactivity.
- Designed and implemented 20+ pixel-perfect UIs using **HTML5, CSS3**, and Flexbox/Grid.
- Implemented code splitting, lazy loading, and asset optimization to reduce web application load times by 30%.
- Implemented interactive data visualizations for better data insights, improving user engagement by 20%.
- Resolved cross-browser compatibility issues across Chrome, Firefox, Safari, and Edge.
- Integrated **RESTful APIs** for dynamic data handling and ensured efficient communication between frontend and backend.
- Optimized UI/UX by collaborating closely with designers, QA teams, and backend developers.
- Participated in Agile development practices (daily standups, sprint planning, and retrospectives), ensuring timely delivery of high-quality features.

COURSES / CERTIFICATIONS

Responsive Web Design Certification – freeCodeCamp   March 2025

https://www.freecodecamp.org/certification/fcc76c50a34-5752-432f-8539-86838140d4d9/responsive-web-design

EDUCATION

Master of Computer Applications (MCA)   Aug 2018 – July 2021
N.M.A.M Institute of Technology, Nitte
VTU, Belagavi

Bachelor of Computer Applications (BCA)   July 2015 – June 2018
SRSMNGFGC & PG Study Centre, Barkur
Mangalore University

KEY ACHIEVEMENTS

Star of the Month – DataLyzer Technologies Pvt Ltd (October 2022)
Recognized for leading the development of critical UI components and surpassing performance benchmarks

Date: Yours sincerely,
Place: Bangalore   Shridhar Achari
